About the Messenger.....	22

But they choose to center their lives in the One who came to give His life for all and to show us how to live ours.

It's good to set aside time to give thanks. It's a good reminder for us, a good exercise in thanksgiving. To set aside special time to give thanks brings with it an added blessing: it serves, hopefully, to make us a more thankful people each and every day.

As your pastor at Immanuel, I rejoice EACH DAY and I am filled with thanksgiving for the privilege of serving here in this place. I thank God for this community of faith, this "community of the faithful." I rejoice in your commitment to live a life that matters for God. We have truly been blessed to be a blessing, and I'm overjoyed to see this understanding lived out in our congregation.

I want to encourage you to grow in your knowledge of God's great love for you, to know beyond a shadow of doubt that He claims YOU as His beloved child. He has blessed you so richly. Continue to develop the gifts God has entrusted to your care; be creative in the ways you serve Him. Never miss an opportunity to care for those God brings to your door, or those with whom your path crosses, whether on a regular basis or in a serendipitous moment. Know that God can and does use YOU as His servant in this world, to bring about His will, on earth as it is in heaven.

Rejoicing To Serve Among You,

Pastor Derek J Engfelt

THE MESSENGER

People Helping People !

An experience by congregation member – 1. Man on the Median – Our member was

driving and was about to make a left-hand turn at Saratoga and Prospect/West Campbell Ave when he saw a man with a sign asking for food or money. Our member rolled down his window and showed him the People Helping People clear bag so he could see what was inside. He then told the man " Our church, ILC, made the bags to help people. The man said that he could really use this and then that he and others lived under the bridge on Prospect Ave. near Lawrence and that he was also collecting food and money for them. Our member gave him two bags and he thanked him profusely and said God Bless.

2. Young man sagging by the Store: Our member was shopping at Trader Joes and on his way out saw a young man looking very dejected with a sign asking for food. He sat next to the young man and asked him what was wrong. He answered that he had been living at the shelter and that the other day all his belongings were stolen from the shelter, including his cheap cell phone. He said he needed this in order to get around and look for a job. Our member mentioned about the food packages and that our church ILC was always trying to help people. The young man said that was very special. Before saying goodbye, our member told the young man to try to keep his spirits up and to go back to the shelter. He said he was but was trying to get some food and money to get another phone. They talked about positivity and using all the gov't services available. The young took the two bags and he thanked our member profusely.

Helping anyone even if it is just a little means so much to people who literally have nothing. God's grace.

Come join us as we serve those in need in practical ways. As we do so, we're living into our ILC vision of "passionately responding to the grace we've received by joyfully serving others in the name of Jesus."

Sunday school provides a structure for teaching God's Word. Preaching isn't enough. A systematic teaching of the Scriptures – not just preaching (Acts 5:42) needs to occur through all age levels. Children, youth, and adults need opportunities for discovery, review, and interaction as they study God's principles. Sunday school meets needs!

Children's Story

Powerful Prayers

Kim and Ray were two best friends. They were very close companions and lived nearby and went to the same school. Years later, they were also colleagues at work. One day, they decided to go on a sea voyage to explore exotic lands. They started their journey on a cruise ship and traveled a great distance. The weather turned very destructive during their trip, ruined their ship, and killed many passengers.

But Kim and Ray somehow managed to swim to a nearby deserted island. Kim and Ray realized they could not survive on the island without divine intervention. They decided to pray to God. Kim and Ray wanted to see whose prayer would be more powerful. Kim moved to the island's eastern tip, knelt, and prayed. Ray went to the western tip of the island and prayed there. Kim prayed to God to give him food. To his surprise, he got a pile of food, fruits, and vegetables on the seashore.

After two days, Kim requested a beautiful girl as his wife as he felt very lonely on the island. In a few hours, there was a shipwreck near the island and a lone survivor, a beautiful girl. Kim married the girl. All things that Kim prayed for were granted to him.

After one month, Kim decided to move back to his hometown. He prayed to God to send him a ship to take him home. A ship to take Kim and his wife home. As they were about to board the ship, Kim heard a voice. "Are you going alone, leaving your companion for life here?" Kim was surprised and asked who it was and that he had his wife with him. The voice replied, "I'm the one who has been granting your prayers!"

Kim knelt in awe and said, "Thank you, God!" God said, "I was not answering your prayers. I was only fulfilling Ray's prayers. He prayed only one thing: to fulfill all your prayers!" Kim then remembered Ray. Overwhelmed with guilt for forgetting Ray, Kim was in tears and rushed to look for him.

Unable to find him, he asked God, "Where is Ray?" God told him, "I took him with me as the man with a golden heart should be with me. But I fulfilled all your prayers as promised to Ray!"

Kim realized why his friend Ray's prayers were more powerful as it was completely selfless.

Moral of the story: Selflessness is the highest form of prayer.

Philippians 2:3

Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves.

DIY

When a guy's printer type began to grow faint, he called a local repair shop where a friendly man informed him that the printer probably needed only to be cleaned.

Because the store charged \$50 for such cleanings, he told him he might be better off reading the printer's manual and trying the job himself.

Pleasantly surprised by his candor, he asked, "Does your boss know that you discourage business?"

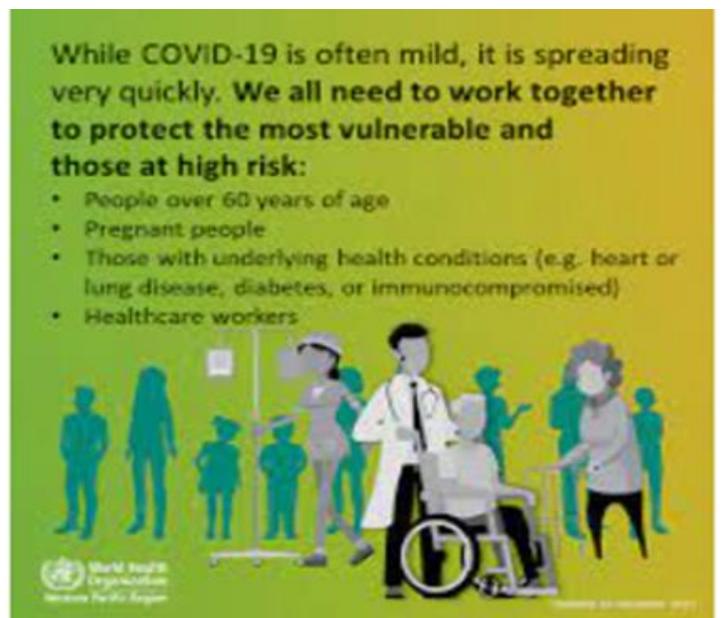

"Actually, it's my boss's idea," the employee replied sheepishly.

"We usually make more money on repairs if we let people try to fix things themselves first."
